- **REACH EU-Chemical Regulation** -

To whom it may concern

The subject REACH regarding the regulation (EG) No. 1907/2006 is known in our house. We treat this issue and keep us up to date in cooperation with our pre-supplier.

For this product group we are a trading company, who distribute chemical/technical products among other things, which contains for the REACH regulation relevant substances.

We are standing in the supply chain between the customer - you, and our pre-suppliers. The responsibility of the registration of these substances is on the pre-suppliers (manufacturers) side.

In cooperation with our pre-suppliers we will assure, that all present substances in use will be pre-registered in time. This declaration applies to all our suppliers.

Our safety data sheets will be updated according to the REACH guidelines. Also the identification of our products on the labels will be revised correspondingly.

We hope, that we could help you with this writing and remain

With best regards
